

REMARKS

The present application was filed with informal drawings. On April 3, 2006, a Notice of Allowance for the present application was mailed. Upon receipt of the Notice of Allowance, Applicant made arrangements to have formal drawings prepared. In order to meet the drawing requirements of 37 CFR 1.84, it was necessary to arrange figures 4 and 20 on additional drawing sheets. Original figure 4 is now figures 4A-4F and original figure 20 is now figures 20A-20C. The additional drawing sheets that were prepared to meet the drawing requirements necessitate amendments to the specification to refer to the additional drawing sheets. The amendments to the specification merely embody the correction of formal matters without changing the scope of the claims.

Applicant respectfully requests that the Examiner approve the proposed drawings and enter the amendments to the specification so that the present application may proceed to issuance.

Respectfully submitted,

Date: June 28, 2006
